Key Points to remember...

*Stay focused on the set goal of the case.

***Do not measure foster parents against bio parents, but rather ask, “Can the parents parent?”**

*Are you regularly seeing individuals who have regular contact with your CASA kids? Parents, foster parents, teachers, daycare providers, etc.

***Please ask for help from us at anytime! We are here to support you!**

Happy July Birthday!

Lynn Semerad - 7th
Pat Dillon - 28th

Fourth of July Facts

- ◆ Fireworks were originally invented in medieval China in the 9th century to scare away evil spirits, a natural application of gunpowder, one of the Four Great Inventions of ancient China.
- ◆ The American Pyrotechnics Association (APA) estimates that more than 14,000 fireworks displays light up U.S. skies each 4th of July
- ◆ There is \$6.77 billion in planned spending on Fourth of July food, and it just so happens that July is National Hot Dog Month. 155 million are consumed on July 4.
- ◆ The biggest Fourth of July fireworks show in the country is Macy's 4th of July Fireworks Show in New York City, which is celebrating its 40th anniversary this year. Approximately 3 million spectators will watch from the city and about 15 million people will watch NBC's live broadcast the show.
- ◆ From six barges on the Hudson River:
 - ◇ Over 40,000 shells will launch
 - ◇ 12,000 pounds of black powder will be used to launch the shells
 - ◇ As many as 1,000 shells will launch per second
