

UNITED WAY DAY OF CARING

Advocacy Network for Children participated in United Way's Day of Caring held on June 7th. We would like to thank the 11 volunteers from Knapheide Manufacturing Company who volunteered their time at our Quincy office. Their hard work made quite a difference to our outside area. Bushes were pulled out, flower pots planted, new parking lines and railings were painted and bricks were removed from an unneeded sidewalk. Our community is blessed with such caring individuals and businesses.
