

April 2021

## SHOW YOUR SUPPORT

Advocacy Network for Children continues selling yard signs in various locations throughout its nine-county region to bring awareness and raise money for the agency. The event will run through the end of April which is National Child Abuse Awareness and Prevention Month.

National Child Abuse Awareness and Prevention Month recognizes the importance of families and communities working together to prevent child abuse and neglect and promotes the social and emotional well-being of children and families. During the month of April, as well as throughout the year, communities are encouraged to increase awareness and provide education and support to families through resources and strategies to prevent child abuse and neglect.

You can show your support by purchasing a yard sign for \$10.00 at the following locations:

**Quincy:** Hy-Vee on Harrison; both County Market locations; Peoples Prosperity Bank;

**Camp Point:** Hibbert Country Financial Insurance; **Pittsfield:** County Market; Save A Lot; **Carthage:** County Market;

**Macomb:** Haymakers; **Rushville:** County Market; **Jacksonville:** County Market; **Mt. Sterling:** IGA; **Hamilton:** Hy-Vee;

**Beardstown:** Save A Lot.

In addition, signs will be available at the agency's administrative office located at 1420 Harrison Street, Quincy.

Let's all stand together in the prevention of child abuse.

## THANK YOU

FFA students at Pittsfield High School donated \$800.00 in support of the Pike County Children's Advocacy Center and CASA program. The students raised money through various projects to help programs which assist children in the foster care system or who are in need of advocacy.

The agency received a \$1,000.00 general operating grant from the Stamerjohn Family Fund through the Community Foundation.

Your thoughtfulness and support of our agency is truly appreciated!

## *AGENCY RESPONSE TO COVID-19*

Amid the year-long concerns over COVID-19, our agency continued to take steps to keep staff, volunteers and clients safe.

However, as new case reporting is low and vaccinations have been available for several months, staff will begin returning to the office in shifts on April 5th and throughout the month. Beginning May 3rd, all Quincy office staff will be back in the office. Staff working in field offices will resume their pre-COVID working arrangements.

Precautions, including, but not limited to, masks, social distancing, frequent hand washing and sanitizing, and health screens for Children's Advocacy Center clients will still be observed.

We will continue following all guidelines put into place by our various grantors (both state and federal), the CDC and local and state officials.
