Dear CASA Volunteers,

We are pleased to announce Jessica Bullard, Adams CASA Coordinator, is moving to CASA Coordinator for Brown, Cass and Schuyler. Jessica previously worked at DCFS for five years as the Foster Parent Support Specialist. She has been with our agency since October 2021. Jessica will be primarily assigned to our Beardstown, IL office.

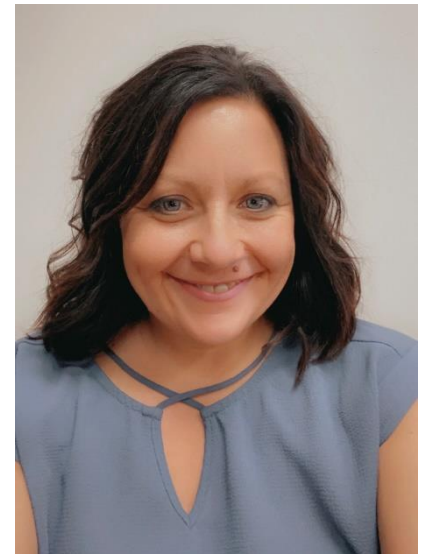

Karolina Anton, previous CASA Coordinator for Brown, Cass and Schuyler, is staying with our agency. However, she is going to be handling the growing cases in Pike County. Karolina will be training Jessica the next few weeks.

Brittany Durst has been hired as an Adams CASA Coordinator. She has 7 years of experience with her last job being a Child Welfare Specialist at Chaddock. Brittany has been with our agency since January 24, 2022.

These changes were made in an effort to provide additional services and more closely support our volunteers. If you have any questions or concerns, please do not hesitate to reach out at 217-223-2272 or [dbuss@advonet.org](mailto:dbuss@advonet.org).

Sincerely,
